This letter is in further response to your request for copies of records related to disruption of cell phone service in August 2011.

Please find the attached documents responsive to your request.

Pursuant to Government Code sections 6254(k), Evidence Code sections 915, 950, and 1040, information has been redacted from some of the documents. The District's determination that these redactions are exempt from disclosure has been made on the advice of Mr. Byron Toma, Attorney, in the Office of the General Counsel.

The District is continuing the process of reviewing its files for documents that are responsive to your request. This letter will serve to advise you that, to the extent the records you have requested exist in the District's custody and are not legally exempt from disclosure, they will be made available to you. The District estimates the remaining documents, if any, will be available by June 28, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you.

Sincerely,

A handwritten signature in black ink that reads "Patricia K. Williams". The signature is fluid and cursive, with the first name "Patricia" being the most prominent.

Patricia K. Williams
District Secretary
